Dedication

Thirty years ago Lincoln High School was assigned a new principal, Melvin J. Bowen.

Mr. Bowen was born and raised in Des Moines. He graduated from North High School and attended Drake University where he received his bachelor's and master's degrees. He was a history and English teacher at Roosevelt High School from 1940-1942. From 1942-1945 he served in the U.S. Army in the Counter Intelligence Corps as a special agent. From 1951-1958 Mr. Bowen was the Assistant Director of Public Services and Special Education, as well as Director of Personnel. He has given a total of 48 years to education.

His very keen interest in sports is evidenced by his own athletic achievements. While Mr. Bowen attended North he participated in football, basketball, and baseball. In 1938, he played on the state championship softball team that advanced to nationals. In an ABC bowling tournament he tied for a high game of a 288. He was also a coach of the 1941-1942 wrestling squad at Roosevelt and the Walker-Shaw girls softball team that went to nationals in Cleveland, Ohio. Thanks to his own love of sports, Mr. Bowen built a strong sports program at Lincoln. The Iowa High School Athletic Association honored Mr. Bowen with their Outstanding School Administrator's Award.

In his 30 years at Lincoln, Mr. Bowen broadened the academic and extra-curricular programs, built a new industrial wing, a new library, and a new science and art wing. The Roundhouse, a multi-complex gymnasium and swimming pool, has been renamed Bowen Fieldhouse in his honor

It is with a great sense of pride that we dedicate this yearbook to Melvin J. Bowen. Thank you for a wonderful 30 years!

Veni, vidi, vici

I came . . .

As freshmen we begin
And have the biggest of plans
To gain more friends, mature, and grow
To be popular and eventually show
That we are the best to walk these halls
Although we suffer, rise, and fall.

I saw . . .

As sophomores, we feel out-of-danger
No more to the upperclass are we strangers
We learn, we laugh, and begin to enjoy
Our final years being school employed.
To juniors we improve
And things are running smooth
We have our friends, we have our place
Becoming seniors is all we await.

I conquered . . .

This year we plan to party, as well we plan to play
To make memories that last for each and every day
We use our time so wisely to look in retrospect
While future as well we contemplate, wondering what to expect.
The blessed day arrives when gowns are donned with caps
A twelve year ladder we have scaled as the on-lookers clap.

Some of us are beginning and some are at an end, but for all the theme is common . . . to be, being, and have been. The purpose of the yearbook is to capture and enclose lasting pieces of time and tie them together with an unforgettable phrase . . .

Veni, vidi, vici . . . I came, I saw, I conquered. These words represent each aspect of our high school career: entrance, attendance, and graduation. The following pages and pictures display this opening, passing, and close of a very special year.

Homecoming spirit soars at assembly

Homecoming week, September 26-October 1, was packed full of exciting festivities. Spirit week started off on Monday instead of the traditional Wednesday as the student body dressed with their clothes inside out. Tuesday was Nostalgic Day, where many of the fashions of the '50s and '60s were brought back, and Wednesday was again Clash Day.

Thursday was Dress Up Day and also brought the Coronation Assembly where Jamey DeAngelo and Liesl Hohenshell were crowned king and queen. Swing Choir performed to *Celebrate*, *If You Say My Eyes Are Beautiful* and *I've Got the Music In Me*.

Cheerleaders generate pep

The cheerleaders showed dedication by contributing their time to early morning practices in the summer, pep rallies, and spirited pep assemblies. They danced at the Grays Lake Festival, sold mums and carnations to the student body during Homecoming Week, painted victory signs for upcoming events, and cheered the Rails on through the year. Over the summer they attended the National Cheerleading Association Camp at Iowa State University. Varsity cheerleader Lisa Armstrong was a candidate for All-American Cheerleader. "It was both a great honor and exciting moment to cheer in front of 400 cheerleaders from across the state. The experience brought confidence to my first game," Lisa commented. Twenty cheerleaders were divided into three squads. One squad, headed by Captain Liesl Hohenshell, cheered girls' swimming, girls' basketball, and wrestling. Captain Jennifer Saitta led the other squad to cheer for volleyball, boys' swimming, and boys' basketball. Together both squads cheered JV and varsity football. The sophomore squad, a group of eight vivacious girls, with the initiative of Captain Tessa Reiner, cheered freshman and sophomore football and basketball. Varsity captains said, "It is written 'There is a time to laugh and a time to cry.' We shared a lot of laughter and few tears."

Railettes' third year is dazzling success

The Railettes started their third season with Patricia Sonntag as their second year sponsor. The team consisted of 25 girls including Gina Tursi, their first mascot. Leading the team were Captain Shae Angus, Assistant Captain Jenny Stark, Secretary Jenny Jones, and Treasurer Nikole Knight.

In two of their first performances, one at the Chicken Bowl, the other at the first pep assembly, the Railettes danced to *Tall Cool One*. At the Homecoming pep assembly and the October competition at Pocahontas they danced to *Excitable*. The Railettes also performed several routines at the Urbandale Car Show in September. They attended State Competition in December at Pleasantville where they performed a novelty routine and a flag routine.

The Railettes danced their way through a great and enjoyable year. They started out "cooly" and ended with "excitement."

Band remembers trip 'down under'

Band members encountered new experiences in Australia where they spent ten days at the World Expo held in Brisbane. The band left June 1 and returned June 13

World Expo resembled a big fair with display pavilions from countries all over the world. Students were assigned to a family overnight, giving them a first hand look at the Austrailian culture and way of life.

Although the band performed often, the trip was not all work and no play. The first day was spent exploring the city of Sydney where they toured the Opera House and the Lone Pine Koala Sanctuary where they saw koala bears and kangaroos.

The band worked very hard to make the Australia trip a reality. Not only did it take a lot of practice, but it took hours of fundraising which helped pay some of the expenses.

Jazz Bands I, II contributed pep and enthusiasm to assemblies and home basketball games throughout the year. In addition to performing at eight luncheons, both bands competed at State and in six other contests, receiving various trophies and awards for their achievements.

"There is a lot of hard work and daily rehearsing involved, but it's all worthwhile in the end when we perform well," commented Jazz II member Brain Charron.

Chamber Chorale Swing II

Various performances and tough competitions provided excitement for the members of Chamber Chorale. Choir members competed for 24 spots in the All-State music festival against 400 other students from their district. Junior Laura Shaw and Sophomore Aaron Reynolds were chosen to perform in the All-State Choir.

Some highlights of the year included performances at the Ogden Competition, the Festival of Trees, and the Lighting Ceremony at the Capital.

"Chamber Chorale lived up to its full potential and the group did an outstanding job", commented Lincoln Grimes.

The Homecoming pep assembly was the first formal show for Prep Swing. They also performed at Capital Square and competed in the Cedar Rapids Invitational.

November 12, the choir held its first annual Swing Fest. In attendance were Roosevelt High School, Bondurant Farrar High School, Moravia High School, and East High School.

Dorian Art shines throughout school

Dorian Art comes from the Greek word *Doric* which refers to the simplest of three Greek columns.

This club was among one of the first clubs at Lincoln. The club showed off their talent at the Des Moines Senior High Exhibit and a one-day exhibit at the Civic Center. Every year they decorate the gym for the Homecoming dance and at Christmas time they collected boxes and wrapped them as presents to put in Christmas tree formations in the front hall.

Sponsor Dale McLean, who retired at the end of the year, commented, "I haveworked with a lot of students through the years and this last year of seniors was a very good class to leave with."

Rails Club sponsors a memorable dance

Rails Club began the year with a headstart. Even before school began, they were raising money for the Special Olympics by sponsoring a benefit car wash.In September, Rails Club honored Melvin Bowen with a special plaque and breakfast.

The sale of the annual Buzz Book was initiated. The winner of the Buzz Book Cover Contest was Rusty Damante. The Halloween and Saint Patrick's Day/Easter visits brought smiles to the faces of many children and senior citizens, as club members showed off with some crazy antics.

The Sweetheart Dance was held February 11 at the Bowen Roundhouse Arena. For the first time the dance used a theme *Heart's Desire*. Music was provided by the Kruze Band. Pictures were taken by Stover. The club members decorated with red, white, and pink streamers.

Drama department brings life to stage

The fall play, *Curse of the Aching Heart* was an old-fashioned play. Director Lisa Kunze said the play had all the staples of an old fashioned melodrama, which means it was a play where the villains were booed and the lovely heroine was cheered. It even included someone being tied to the railroad tracks.

The spring play, *Our Town,* was a drama that covered such diverse topics as daily life, love, marriage, and even death.

"*Our Town* was one of the most difficult plays Lincoln has ever done," said student director Troy Tickle.

Senior Melissa Hawk, who played the character Mrs. Webb, commented, "This play has made all the cast members really look at people more. The whole idea of this play is to enlighten people to those around them."

Fall delivery makes coverage up-to-date

The yearbook staff quickly decided on their theme Veni, Vidi, Vici and began working to meet deadlines. The loss of a local printer made the traditional spring delivery an impossibility. Large yearbook companies like Herff Jones impose such very early deadlines that full coverage of the year can be accomplished only with fall delivery.

This is the first year that the yearbook has been done completely on computers, giving students up-to-date publishing experience.

Moving the yearbook to fall delivery will give future yearbooks the possibility of having more color, better coverage of spring sports, and coverage of Prom and Senior Banquet.

The staff was supervised by Adviser Diane Weir. Editors-in-Chief Travis Denny and Melissa Sater guided a staff of 27 people. This yearbook will be remembered as the one that changed the history of yearbooks at Lincoln.

"With six returning starters, next season should be another successful year for the Rails. The girls will try to put together another 20-game winning season, the eighth in a row. Next year should be a wide open Metro race with the Rails batting for first place. A new aggressive offense should make the games very exciting," said Coach John Ligouri.

Next season's returning letterwinners include Julie Cronin, Lisa Gordon, Heidi Hoganson, Jenny Roe, Shiloh Sorensen, and Kim Wilson.

Varsity football team improves; coach honored

The varsity football team finished the season with a record of five wins and four losses. This record doesn't do the team justice considering they lost to three ranked teams. The team was ranked tenth in the state until they suffered consecutive losses to fifth-ranked Dowling, East, and top-rated Newton. The Rails also won two exciting games in the last seconds against Marshalltown and Hoover.

Coach Tim Miller was named Coach of the Year in the Metro conference. In only his third year as head coach, Miller led the team to a Metro contender and a state-ranked position.

The Rails were represented well in All-Conference selections with Chris Bolten, La Cam, Jeff Davis, Jamey DeAngelo, John Feucalaro, and John Kline all making the first team. Second team honorees included Jay Castle, Rich Kelley, and Dave Smith.

At the football banquet November 8, players were honored with awards; Jay Castle, Jamey DeAngelo, Dave Smith won the Coaches' Appreciation Award. Players of the Year were John Kline, most valuable player; Rich Kelley, most improved; and Chris Bolten, most inspirational.

Young Gridders show true spirit

JV, sophomore, and freshmen football teams produced an enthusiastic year by winning a combined total of eight games.

The JV team is composed of second and third team players. JV games give those players a chance to show their skills in game situations. The games also give coaches the chance to see players who can perform for the varsity team. Some outstanding performances were given by Shane Roerig, fullback-linebacker; Steve Tomlinson, quarterback; and Todd Claussen, defensive lineman.

The sophomores had a hard season filled with some disappointing losses. The team showed its ability to play together, which will help the varsity team in the year to come. Awards given at the sophomore banquet went to Dirk Hejkel, most improved; Joe Harris, defense; Matt Law, offense; and Travis Powwell, most spirit.

The freshmen team showed its pride by producing some exceptional statistics. With a 3-4 record, the freshmen squad traveled to East hoping to produce the first winning season in ten years. The team played a tough game, but unfortunately the game ended in a tie.

Spirited Tankers produce victories

The girls' swim team showed much enthusiasm and spirit, doubling their victories from last year. They finished with strong wins against North and Ames, and qualified four people for state: Julie Wellinghoff, Amber Wegner, Julie Studins, Linda Harper, and alternate Sandy Studins in the 400 yard freestyle relay.

Amber Wegner also placed fifth in the 50 and 100-yard freestyle, while Sophomore Julie Studins placed 23rd in the 100-yard backstroke at Fort Dodge.

During the season Amber Wegner broke the 200-yard freestyle record set by Elly Johnston with a time of 2:01.0.

This was Coach Tom Cady's last season coaching. Senior Lisa Volden said; "Coach Cady has been a great coach and friend; everyone will miss him." He began in 1952 with wrestling and baseball. He has also coached gymnastics, soccer, track, and boys swimming. For the past 16 years he dedicated himself to girls' swimming and diving. Cady said; " I received for more from coaching than I was able to contribute."

Boys swimming excels; Tankers go on to State

A first ever victory over Roosevelt and Hoover, topped with a district championship, were highlights of an impressive 7-3 season for the boys swim team.

At the district meet, senior Ethan Johnston captured the district title in the 100 butterfly and 100 backstroke, while senior foreign exchange student Martti Paivinen claimed the 50 freestyle. Sophomore diver Floyd Castle won the diving.

Sending nine people to the state meet, the Tankers fared well placing 14th. Divers Bob Burnett and Castle placed 9th and 10th respectively, while Johnston placed 8th in the backstroke and 10th in the butterfly. Paivinen placed 7th and 16th in the 50 and 100 freestyles and Travis Denny finished 19th in the 200 freestyle.

A team of Johnston, Arick Gray, Alfred Hyslope, and sophomore foreign exchange student Jeronimo Gomez broke the medley relay record which has stood since 1973, while Gomez, Denny, Eric Harrison and Paivinen set the freestyle relay record. Johnston also lowered his own backstroke record.

Coach Stan Thompson, who was voted District Coach of the Year, was pleased with his team's overall performance. "It was a season that had the highest highs and the lowest lows. We had tremendous parental support and I think we have established a winning tradition that hopefully will continue," Coach Thompson said.

Lincoln, Dowling split Metro Conference race

With a record of 14-2 in the Metro and 14-5 overall the Rails shared the spotlight with Dowling as the Metropolitian Confrence co-champs. Five seniors led the Rails in their successful season: Chris Byars, Kim Clements, Bobbie German, Jenny Roe, and Kellie Williams.

"The season overall turned out better than we all imagined it would. We knew it would be a rough road but we were all very pleased with how it ended, even though we didn't get to state," Clements commented.

Players earning honors were Dana McNally, 1st team All-Metro, and Jenny Roe, 1st team All-Metro, and 3rd team All-State. Kim Clements made 2nd team All-Metro and Lanett Brooks and Bobbie German received honorable mention.

Coach Jerry Schartner was named coach of the year by the Metropolitian coaches. Coach Schartner said, "Without a doubt this season is one of the best we have ever had in girls' basketball. They all worked so hard that the team played way above its potential."

Varsity ends season with up/down record

The Cagers ended their season with a record of six wins and twelve losses. Tyler Hankins said,"Our team's season was sort of like a roller coaster; we had a lot of ups and downs. Next year's returners should work well together and have a good season." The highlight of the season occurred when Chad Jensen had the opportunity to dunk the ball in their last game.

Leading for the Rails were Seniors Jamey DeAngelo, Tyler Hankins, and Chad Jensen. Junior leaders were Greg Blomgren, Aaron Lutyens, Judd Hardcastle, and John Feucaloro.

Next year's varsity squad will be made up of seven returning lettermen consisting of Mike Patterson, John Feucaloro, Brad Edenburn, Aaron Lutyens, Marty Talarico, Greg Blomgren, and Judd Hardcastle.

"The close losses were very disappointing for everyone and really took their toll at the end of the season. We have a very strong nucleus of juniors to build around next year, and with a strong leadership, they will be very successful," commented Coach Tom Lee.

Tennis anyone?

The boys' and girls' tennis teams, coached by John Van Why, started their seasons with victories over both Newton and Indianola.

The boys' team was supported by returning lettermen Judd Hardcastle, Brad Smith, La Cam, Jason Swindler, David Smith, Chris Perez, Seth Else, and Mike Metcalf. The varsity team included these eight lettermen plus Brian White, Adam Rappaport, and Marty Talarico. Captain Brad Smith commented, "Both teams had great seasons!"

The girls' team had no senior letterwinners, but experienced underclass players filled in the spots. Returning letterwinners were Missy Hillman, Christy Dickson, Natalie Driscoll, Stephanie Taylor, Jennifer Gruss, Jennifer Swindler, Julie Stundins, and Jenny Alvord. The varsity team composed of the letterwinners with Sandy Stundins, Michelle Garland, Kathryn Miller, and Tina Walsh accompanying them.

Girls' track team dominates season

The girls track team was very young but extremely talented. With little experience, they dominated their first meet at the Norwalk Invitational, April 4. The squad finished with an overall first place standing. Coach Ed Pilkington said, "My first goal was to get the team members to believe in themselves."

The Cindermen started the season with a strong finish at the North High Indoor meet at Drake University, March 16. They finished second out of twelve teams. The squad showed that speed and experience were their greatest advantage. Coach Bob VanderLinden said, "I have seen much improvement by the underclass and expect great success next season."

Returners add strength

Despite the small number of players on the golf team, the four returning letterwinners (Liz Gilbert, Kristin Leavengood, Stacie Lilly, and Jenny Roe) provided the experience necessary to be a strong force in the Metro.

The Lady Linksters practiced daily at Willow Creek Golf Course, working hard to develop and improve their golf skills. The girls competed in meets against other Metro schools as well as other high schools in the state.

Maigaard assumes office; many changes take place

The 1988-89 school year saw many changes. Melvin J. Bowen retired September 30, and Ralph Maigaard was named interim principal.

Phase III took effect at the beginning of the year. Phase III is a plan to benefit students and the Des Moines community by promoting teacher excellence through the development of a voluntary incentive compensation plan which rewards teachers for quality performance, professional growth, and school/district service.

An emphasis was placed on involvement and leadership. An alumni association was organized. The Building Advisory Committee (BAC) called for student and parent input. An action team was set up to encourage and develop student leadership. Build Lincoln Higher (BLH) was reorganized to support student activities.

"A mission statement was developed by students, faculty, and parents, which we can build on for the future. We hope it was a positive and productive year for all," Maigaard commented.

Business Professionals of America

Junior and senior students who wish to gain experience in preparing for office occupations are actively involved in the Office Education program. Each Afternoon these students work in offices throughout the Des Moines business community from three to five hours as typists, secretaries, receptionists, proof operators, and accounting clerks.

Students are members of the national student organization -- Business Professionals of America. The members complete many projects which serve the community by helping the underpriviliged, ill, aged, and mentally or physically handicapped. They prepare for leadership roles through workshops and conferences and develop their professionalism through speakers, tours, and seminars.

Physical Education

All students from grades 9-11 are required to take physical education: freshmen everyday, sophomores and juniors two days weekly.

Seniors take contract PE. At the end of every nine weeks seniors turn in contracts signed by a parent or a sponsor certifying that they have participated in some type of physical activity.

The PEOPEL program allows exceptional learners the opportunity to participate and learn in a physical education class with the help of peer coaches. The program helps motivate students to appreciate and maintain physical fitness and activities throughout their adult lives. Coach Tom Cady said, "Physical education is one of the activities that students take part in while in high school and enjoy the benefits and appreciate it all through their later life."

Driver Education

Driver education is the most popular class taken at Lincoln. This course is offerred first semester only, since instructors are needed at other schools. Five driving instructors handle approximately 270 students in all three aspects of the class: simulator, class, and car.

NJROTC students plan Navy careers

NJROTC, or Naval Junior Reserve Officers Training Corp. is a course developed to better inform and produce more responsible citizens. The cadets work strictly on self-discipline, self-esteem, and self-control together as a team or unit. They also work on being knowledgeable about the United States, as well as the United States Navy. After graduation, cadets who wish to enlist in any branch of the service may do so at an advanced pay grade. Other opportunities include ROTC college scholarships and nominations to military academics.

JROTC consists of a Color Guard, Drill Team, Rifle Team, Pistol Team, Academic Team, an extremely talented staff, and a lot of hard working cadets. All participate at the football and basketball games, as well as many other special performances.

Senior commander Dean Henesy commented,"I would like to see more people get involved. It's an excellent program and the instuctors are great."

Students donate time; enjoy student center

Volunters assisting teachers in the library, counseling office, student center, and nurse's office receive one-fourth credit for their work.

Juniors and seniors are offered student center in place of a study hall. Student center is supplied with many fun-filled games and a wide variety of snacks and beverages.

The library has gone through many changes since the computer has been introduced. Improvements credited to the computer are better circulation of books, greater ability to record students' check-outs, and quicker collection of overdue books. Librarians Lillian Cole and Jan Leise, along with library clerk Jane L'Estrange, have put a lot of time into helping new students become familiar with the library.

Seniors

President Ryan Blaskovich

Vice-president Chi Hui Pak

Treasurer Kristin Leavengood

Secretary Amber Harpster

In mid-November officers were elected by the senior class. Their duties involved planning and organizing various senior activities in coordination with homeroom representatives.

Ryan Blaskovich, president, was responsible for informing seniors of commencement changes, speaking at the Senior Banquet, and working with other committees.

Chi Hui Pak, vice-president, assisted closely in work with homeroom committees. She also addressed the student body during Class Day concerning the presentation of the key.

Kristin Leavengood, treasurer, handled the financial details which included announcements, name cards, and senior dues.

Amber Harpster, secretary, attended committee meetings, sent invitations to guest speakers, and spoke on Class Day.

Senior Prom was held April 22 at the Drake Olmsted Center. *The Time of Our Lives* was chosen as the theme with black, silver, and emerald green as the colors. Garter belts, glasses, and key chains were sold to commemorate the occasion.

At Class Day, May 26, outstanding seniors were presented with scholarships and awards. The top 3 percent and 15 percent were also named at the assembly.

Veterans Memorial Auditorium was the seniors' choice for commencement on May 30 at 8 p.m. The guest speaker, Carl Cane, a graduate of Lincoln, was a member of the fabulous five starting line up for the Rails.

Our senior year has completed a long journey filled with joyful memories. We have come a long way, we've seen a great deal, and finally conquered many trials, tribulations, and opposing teams. Now the time has come to enjoy, experience, and conquer the future.

In Memory of . . .

Mike

Michael Anthony Calaro
1972 - 1989

The way I feel is so hard
to explain
Because I can't understand
why
I'm feeling so much pain!

The thoughts in my mind
still wonder
And explore, then it fills
my heart
With something more

The way your smile sparkled
my eyes
The way you made me glow,
Yes, thoughts of you
still remain
And I'll never let them go!

So remember that smile
today and yes
Even tomorrow, because the
more I
Think about your smile,
it brings
Me lesser sorrow.

And when its time to
take the road
As you so awfully did,
it seems
All so much alike.
I know that at the end
of that road
A friend will be waiting
And that friend is Mike!

I love you!
Marnie Varvel

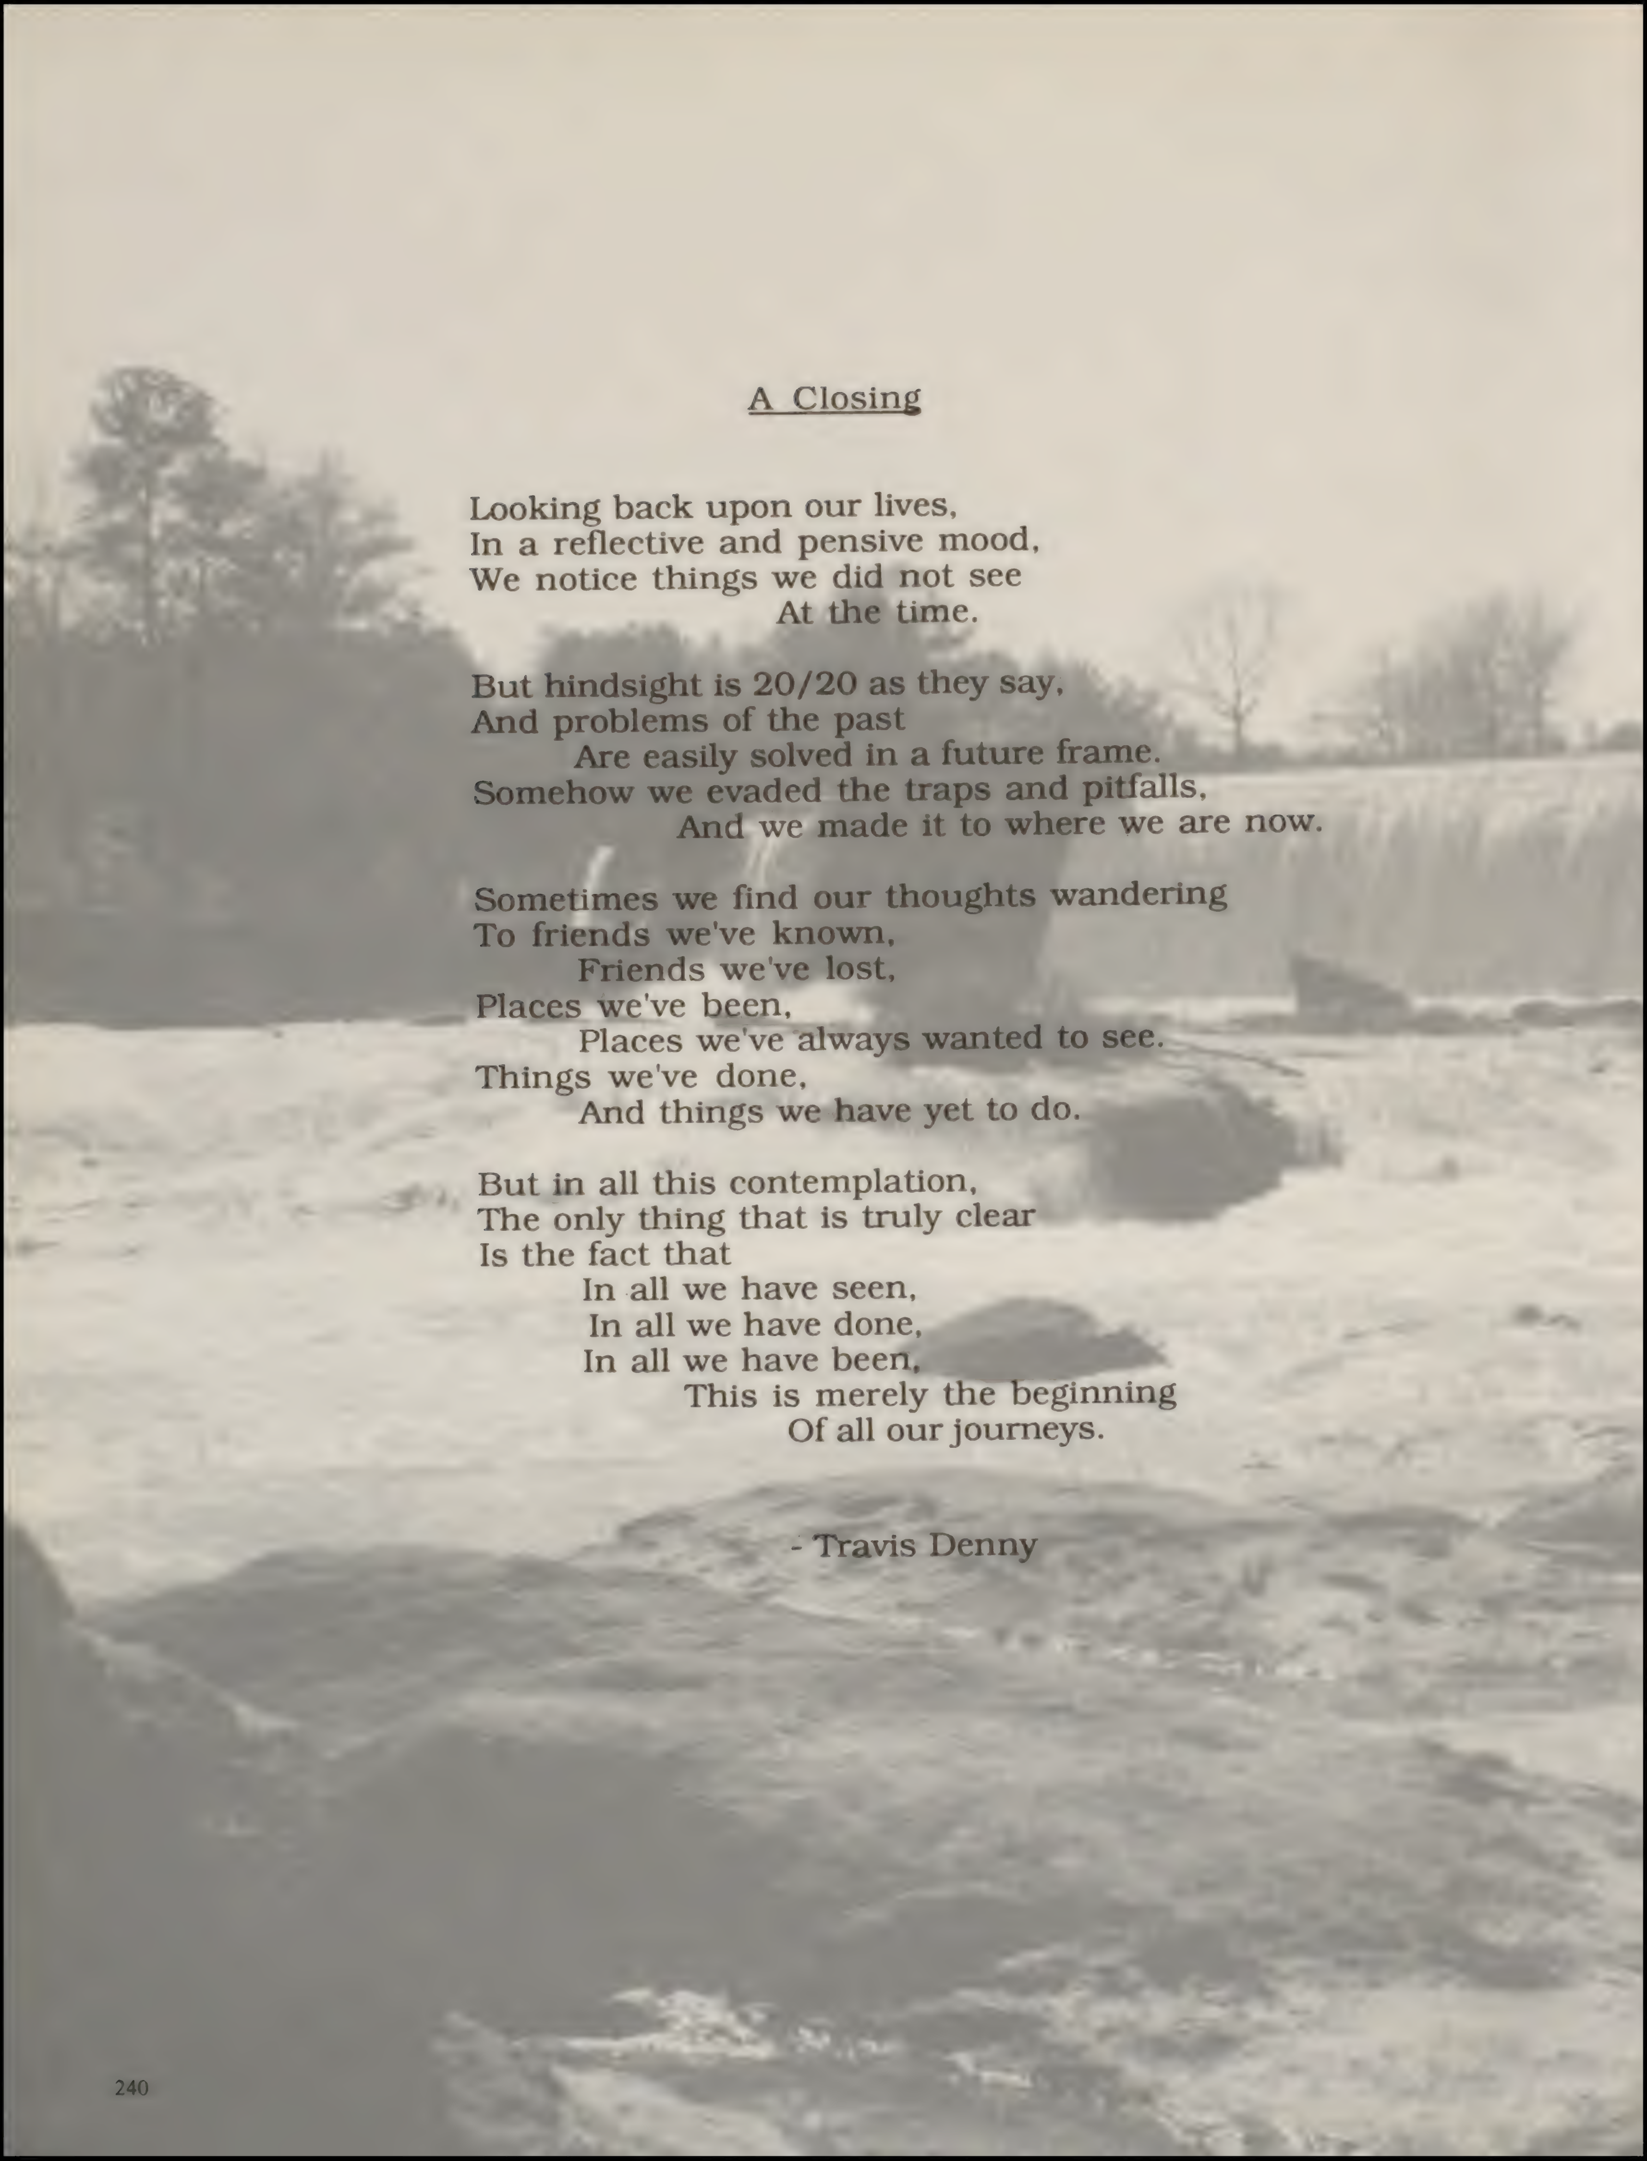
Some seniors gather before the Senior Banquet.

Senior Class Day Committee.



A Closing

Looking back upon our lives,
In a reflective and pensive mood,
We notice things we did not see
At the time.

But hindsight is 20/20 as they say,
And problems of the past
Are easily solved in a future frame.
Somehow we evaded the traps and pitfalls,
And we made it to where we are now.

Sometimes we find our thoughts wandering
To friends we've known,
Friends we've lost,
Places we've been,
Places we've always wanted to see.
Things we've done,
And things we have yet to do.

But in all this contemplation,
The only thing that is truly clear
Is the fact that
In all we have seen,
In all we have done,
In all we have been,
This is merely the beginning
Of all our journeys.
